

BI-FOLD DOORS

WINDOWS & DOORS

Creative View

Windows | Doors | Conservatories | Orangeries

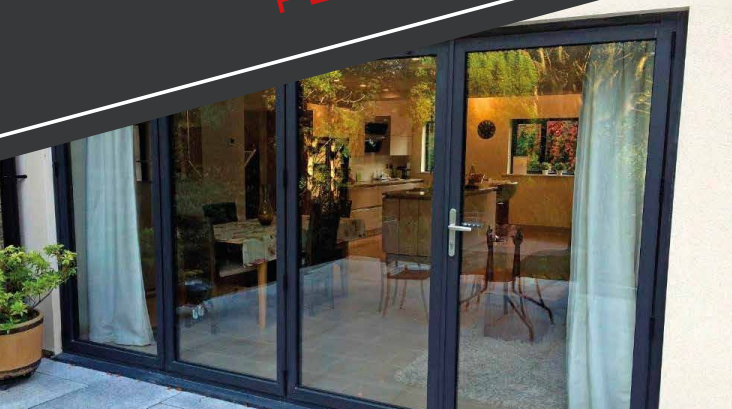

Bi-fold doors are the easiest way to bring extra light and the illusion of more space, not only that but they create a seamless connection between inside and outside areas. Enabling you to make the most of your garden or patio.

A composite door will give you the elegant appearance of a traditional wooden front door with all the low maintenance, energy efficient benefits of a PVC-U door. All products installed by Creative View are A Rated as standard. All windows and doors available in UPVC and Aluminium.
